

## Professional Biography

### Anthony Tippa

MSC, FSA, MAAA  
Consulting Actuary

#### EXPERIENCE

Anthony has several years experience in the life insurance industry; with extensive knowledge and expertise in product design, development, pricing and implementation of life insurance products that balance the market needs with corporate profit objectives.

Anthony has experience in marketing strategy, competition research and sales support; solid understanding of risk management, modeling, and financial reporting.

His work experience includes Sun Life Financial of Canada, where he priced annuities and group insurance products. He designed, priced and implemented Term and Universal Life Insurance products for Genworth Financial (Formally, General Electric Financial Assurance), and State Farm Life Insurance company in the US.
