

Professional Biography

Nigel Bowmen

FFA,
Life Actuary

EXPERIENCE

Nigel has over 15 years' experience of working as a life insurance actuary in a number of African countries.

He spent most of his time working as a Product Development Actuary at Metropolitan International where he was responsible for meeting company profitability targets, developing & implementing product strategies and developing new products & changing existing products.

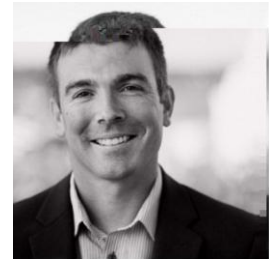

More recently, he has become extensively involved in microinsurance, consulting to Cenfri, a non-profit think tank based in Cape Town with a mission to support financial sector development and financial inclusion through facilitating better regulation and market provision of financial services.
